Townshend Acts - Definition, Facts & Purpose - HISTORY

The taxes for the Stamp Act had to be paid for with British money. They would not take colonial paper money. John Adams, future president of the United States, wrote a series of resolutions protesting the tax. The French and Indian War was called the Seven Years War in England. The British Parliament really thought that the tax was fair.

American Revolution: The Stamp Act - Ducksters

In another effort to raise money and exert its authority over the colonies, Britain established the Townshend Acts in 1767. This series of acts placed taxes on tea, lead, paint, paper, and glass imported to the colonies. The acts were resisted through violence, deliberate refusal to pay, and hostility toward British agents.
