Though trickster tales in African American culture are frequently a source of humor, they also contain serious commentary on the inequities of existence in a country where the promises of democracy were denied to a large portion of the citizenry, a pattern that becomes even clearer in the literary adaptations of trickster figures.

## **The Trickster in African American Literature, Freedom's ...**

As with other forms of culture, trickster tales are apt to develop and evolve when differing societies interact. One such case occurred during the colonial period in North America, as Hare (or Rabbit) was a common trickster in Africa as well as in the New World. Over time, as Native Americans and enslaved Africans met and exchanged elements of culture, their separate Hare traditions produced a ...
